Important Tour Information:

Book Now rates valid until Dec 24, 2026, valid on air inclusive packages only.

The overall activity level of this tour is a level 4. This means you're ready to seize the day, whatever it may bring. You lead an active life at home (walking, biking, and half or full day hikes are things you may enjoy) and 10,000 steps a day is normal for you. You can handle longer walking tours (more than 3 hours covering 3+ miles at a steady clip) and activities that involve traversing uneven terrain, steep slopes, standing for periods of time, and varying altitudes and temperatures. You don't mind being on the go with some early starts, late nights, and full days. You can handle altitudes of 9,000 feet or higher with little to no issue. This level is not appropriate for travelers who use wheelchairs, walkers, and other mobility assistance devices.

Travel with an average of 16 people (maximum of 24).

Some walking tours may last more than 3 hours and cover 3 or more miles at a steady pace.

Extended exposure to high altitudes may lead to altitude sickness, with symptoms such as headache, nausea, fatigue, and dizziness. Travelers with health concerns should consult their physician prior to departure for recommendations on how to alleviate possible symptoms. In severe cases, most hotels are equipped with oxygen to assist with symptoms.

In general, hotels outside of Lima are small with one or two levels and do not have elevators, which may require you to climb 10-15 steps to get to/from the room.

If you require any special assistance while on tour, please make us aware at the time of reservation so the necessary request form can be sent to your attention.

The highest elevation encountered on this tour is 12,500 feet / 3810 meters above sea level in Puno. Several days of this tour are spent at approximately 11,000 feet / 3353 meters above sea level.

This tour features several early morning departures and longer days due to internal flights and train schedules.

Machu Picchu is extremely popular, and entry is managed through several designated circuits. For your included group visit, Collette will make every effort to secure Circuit 2, as it offers some of the most iconic viewpoints. However, due to limited availability and high demand, assigned circuits can vary and specific circuits cannot be guaranteed. Additionally, travelers who book within 150 days of departure may be assigned a different circuit and, in some cases, a different entry time than the main group, depending on what permits remain available at the time of booking.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include round-trip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised, many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

Due to tour scheduling, return flights should not be booked prior to 9:00 p.m.

Internal flights are required in order to participate on this tour and are included in the final price, quoted at time of booking.

There are three internal flights on this tour. Your internal flight to Puno requires a connection through Lima. There are no direct flights available from Cuzco.

Prepaid tipping is not available on our tours therefore payment of customary end-of-trip gratuities for your Tour Manager, driver, hotel housekeepers, and cruise ship waitstaff should be handled individually when applicable during the course of your tour.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.

Travel Requirements:

Complete passport information is required 150 days prior to departure to book entrance to Machu Picchu. If passport information is incomplete or inaccurate within 150 days, there is a strong possibility that we will be unable to confirm you on the same circuit and entrance time as the group. You may be subject to any additional charges incurred from failing to provide passport information within the designated time frame.

Passports are required for this tour at your expense. Certain countries require that your passport be valid at least 6 months beyond the dates of your travel. You are strongly urged to contact the appropriate consulate for details. Visit www.travel.state.gov for the U.S. State Department for the latest details about passports and visa requirements.

IMPORTANT: We recommend that travelers take a photocopy of their passport and applicable visas. It should be packed separately from your actual passport and visa. We also recommend leaving a copy at home with your emergency contact.

Collette will provide all necessary information, updates, and supporting documents for your travel requirements, including visa and Electronic Travel Authorizations (ETAs), if required, approximately 60-90 days prior to your departure.

Each traveler is responsible for proper documentation and inoculations that may be required and/or recommended to participate on this tour. Please contact your local travel clinic or personal physician for specific details on the destinations you are traveling to and from.

A deposit of \$698 per person is due upon reservation. Reservations are made on a first come, first served basis.
