VINTAGE TRAVELERS
JULY 16 – 18, 2027

FRIDAY, JULY 16, 2027 – Our unique Summer get-away to Pensacola, Florida begins as we depart from the Toulouse Building parking lot in Jackson at **7:30 a.m.**, once we have our luggage and personal belongings loaded, and make our way to sugar sand beaches and emerald shorelines! This is the summer trip you have been waiting for. We will make a rest stop en route near Hattiesburg, then continue on to Pensacola. We will make a lunch stop along the way, on our own today. By mid afternoon, we arrive at our hotel for group check in, everyone will have time to unpack and freshen up. Our hotel is located very close to the beach, so for those that would like to, you can grab your swimsuits and beach towels and have some time to catch some sun! We will have over two hours to enjoy one of the most popular beaches in Florida – Pensacola Beach! Enjoy relaxing at your pace this afternoon.

After our beach time, we will load up and head back to the hotel to change. To make it super easy for tonight, instead of fighting the Friday night crowds, we will simply walk to our reserved room space in our hotel and enjoy a delicious catered “surf and turf” buffet from a local Pensacola favorite restaurant! No Friday night traffic and long waits to be seated, our dinner will come to us tonight! Enjoy your choice of fresh local seafood like boiled and fried shrimp, fish fillets, cole slaw and other fresh sides, plus some entrée choices for the land-lovers! We will have homemade dessert, plus iced tea and lemonade, all included in our tour this evening! After our dinner, enjoy relaxing at our hotel for the rest of the evening at your leisure. (D)

SATURDAY, JULY 17 – Enjoy a deluxe hot breakfast included at our hotel this morning. The big day is here – the Pensacola Beach Air Show featuring the U.S. Navy Blue Angels! Our group will enjoy one of the premiere events of the summer today that attract visitors from all over America! We will arrive at the National Aviation Museum -- the world’s largest Naval Aviation museum and one of the most-visited museums in the state of Florida. We will share the excitement of Naval Aviation’s rich history and see more than 150 beautifully restored aircraft representing Navy, Marine Corps, and Coast Guard Aviation. These historic and one-of-a-kind aircraft are displayed both inside the Museum’s over 350,000 square feet of exhibit space and outside on its 37-acre grounds. Upon entering the practice field, we will set up together with beach chairs the everyone will bring (on their own.) This morning...a pair of blue and gold F-18s cruise along the coast, tracked by thousands of eyes. Then, out of nowhere, we will hear that unmistakable sound! A Hornet streaks low overhead in an ambush/flyover at 700 mph — then a second flashes over from the blindside. It’s called the Sneak Pass — a flyby, buzz-the-tower fright-flight that surprises every time- even if you expect it. The Fleur-de-Lis, the Opposing Knife-Edge Pass, and the Diamond Dirty Loop — these names are just part of the mind-blowing displays of choreographed precision flying that Navy flight demonstration team has perfected over 70 years of flight demonstration, and we will all enjoy a front row seat to it all today! We will see a unique collection

of military and civilian aircraft running maneuvers today. The Blue Angels are world famous for their precision in the air and this will be a performance we will always remember. After our watching time, we will make our way to the National Aviation Museum, to break for lunch on our own – you can choose from the Cubi Café or the concession area, or, you might want to stop by one of the food trucks set up for the Air Show. After lunch, everyone will enjoy touring the Museum at their own pace this afternoon – there is so much to see and experience! Learn about the evolution of Naval Aviation and experience hands-on history. Discover historic aircraft, cockpits, interactive exhibits and a vast collection of artifacts that are fun for all ages. After a great time, we will depart the base and make our way back to our hotel to freshen up and change. We have another treat for everyone today, as we head to the pier to enjoy a Pensacola tradition – a guided Dolphin Cruise! Pensacola Bay, Santa Rosa Sound, and the Gulf of Mexico are home to many pods of bottlenose dolphins. These wild dolphins are naturally curious and inclined to investigate boats traveling the waters of their home. Though swimming with dolphins is prohibited by law, viewing them by boat in their natural habitat is an amazing encounter. On our cruise, we will get to see other marine life and shorebirds, including sea turtles, stingrays, ospreys, pelicans, cormorants, and schools of fish. This is a scenic sightseeing tour of Pensacola by water. Everyone will enjoy cruising along the National Seashore as we pass by landmarks such as Fort Pickens and the NAS where we enjoyed this morning! After our Dolphin Cruise, we will dock and load our motorcoach and make the short drive to where several great restaurants are in close proximity, and we can all enjoy your choice of where you would like to eat dinner this evening, on your own. This will be a great time to have a good meal and reflect on our day! After we finish, we will load our bus and head back to our hotel for our final evening here. (B)

SUNDAY, JULY 18 -- Enjoy a deluxe hot breakfast included at our hotel this morning. Everyone can relax and if you would like to have one more morning at the Beach, we can arrange a group drop off and pick up time for everyone! By 11:30AM, we will gather our luggage and check out of our hotel, and make the drive to another favorite stop – Foley, Alabama! Everyone can enjoy a stop in Foley and the OWA Family Entertainment Complex, for many group friendly restaurants for a lunch break, and then some shopping and sightseeing time here. As Coastal Alabama's premiere destination, there is something for everyone as we celebrate "Sunday Funday." Around 3:00PM, we will load up and depart Foley, for our return trip to Jackson. We will make rest stops as needed and a snack break, arriving back in Jackson by early evening. What a great summer get-away we shared together! (B)
